### **Volunteer Experience:**

**VHA Home HealthCare**, Toronto, ON December 2020 – Present  
Virtual Medical Care Coach

- Mentoring medically-dependant patients unfamiliar with technology to access virtual health care services throughout the COVID-19 pandemic such as setting up internet, familiarizing them with their current operating systems, and teaching them how to install and optimize Microsoft Teams video conferencing software
- Using IT troubleshooting skills, I solved technical issues and communicated client progress in detailed written reports, increasing client satisfaction by 100%

### **Work Experience:**

**Students First Choice Tutors Ontario** December 2018 – Present  
Start-up Founder, Teacher, and Financial Director

- Founder of educational business specializing on providing tutoring services to support students with learning disabilities such as high functioning ASD, ADHD, Dyslexia and students at risk of failing a course or dropping out of school
- Spending over 2500 hours teaching over 30 students across Ontario and scaled up my business by hiring 3 other educators, bringing in an annual profit of \$50,000
- **Projects:** Designed and developed accessibility level A company website with HTML (excluding jQuery elements) with features including alternative text, accessible layout, font, and other design elements, for marketing success. **Link to my website:** [bit.ly/tut05](https://bit.ly/tut05)
- Our team's accomplishment raised students' math marks from 60% to 90%, and our learners developed deeper curiosity and confidence in mathematics and other challenging subjects such as accounting and finance. This includes numerous success stories of helping special needs students excel in their school

**Theodore Anthony Campaign**, Markham-Stouffville June 2019 – October 2019  
Recruitment Trainer and Elections Canvasser

- Promoting the importance of voting and participation in the 2019 Canadian Federal Elections to thousands of families through educating families on their civil rights and duties, why they need to vote, and where and when can they vote
- Training 10+ canvassers contributing to 35,000 doors knocked throughout the campaign
- Listening to community concerns, I advocated and reached out to 5000 diverse voters
- Motivating campaign team by teaching persuasion strategies amassing 19,000 votes in the riding
